

KF Call to Courage Meeting Schedule

0:01 WELCOME

Welcome, fellow warriors. We have a single purpose in the Call to Courage meetings: to support one another as we reorient to our Master and to our true glory as creatures with missions in the direction of strength, courage, influence, and directive powers. We are Christians who recognize our misorientation, that we have exchanged skilled, balanced mastery for the illusions of our Idol Self, and forcefully pursued pride rather than love. We believe that only from our True Self in karis relationship with God and our neighbors, choosing love and trustworthiness, can we fulfill our sacred missions in this world. We come together to look behind our masks, confess our fears, train together for the next step in our healing, and honor our real effort and progress.

0:02 PRESENTING

We introduce ourselves to the group with our name, location, and something we are grateful for in another person.

0:07 ARRIVING

We practice the 3 Minute Breathing Space together to submit ourselves to reality.

Minute 1: Notice what is present in your mind, body, and emotions.

Minute 2: Draw your full attention to your breath, wherever you notice it the most.

Minute 3: Expand your awareness to include a sense of your whole being, circulating with God and the Creation through the breath.

0:11 VETERAN TESTIMONY

We listen to another KF member as they share with us the effort they have directed toward building real courage and endurance.

0:15 SHARING

We share what we have learned as we journaled through the Call to Courage Prep Guide. We listen without judgment to another's sharing.

0:35 TRAINING

We train to use our KF tools with skill in the good fight against our pride.

1:05 INTEGRATION

We integrate what we have learned into the rest of our person.

1:14 ENDING PRAYER

Master, guide me to the next step in training real strength, skill, and endurance. May I courageously die a thousand deaths for the sake of one life of honor. In my action and my rest, my leading and my yielding, my taking charge and my letting go, may I bring honor to my Lord and rescuer, Jesus Christ, whose very nature is Love. Amen.
