

KF19 Meeting Questions

Facilitator Tip: If the scheduled facilitator has not arrived and the meeting is due to begin in less than one minute, go ahead and let the group know that you will start the recording. Hang up and call back in with the hosting PIN. Start the recording and begin the meeting.

If the scheduled facilitator arrives during the Opening, they can take attendance and assign the readings. If the scheduled facilitator arrives during Presenting, please continue to take attendance and assigning the readings. You will be the facilitator! This is how we cover for each other when facilitators are late or do not show up. We are not robots with set timers that go off on schedule. Things happen that prevent our best intentions. We can honor our group by making every effort to show up when we say we will, but we can also honor the facilitator's intention to serve by covering for them when life happens.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.
