

KF2 Meeting Questions

Facilitator Tip: It's important in these early lessons to present a meeting that is gentle but confident and capable. Use the Facilitator Aid to plan your meeting. Assign the lesson readings to confident, capable, and comfortable readers. If there are not enough strong readers in the meeting, assign two readings or all of the readings to these veteran readers. Try to assign introductions to new members.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Mindfulness and Meditation

- Would anyone like to share their experience with the 3-Minute Breathing Space this week?
- What has been your experience with meditation or mindfulness training?
- How has mindfulness practice changed your awareness or your experience of events?
- If you have explored the *tinyhabits* website, what did you learn?
- What do you think about mindlessly accumulating habits or mindfully cultivating habits?

Toolbox

- In what ways has the retranslation or alternative vocabulary in KF been helpful to you?
- What does *Train hard, fight easy* mean to you?
- Would anyone be willing to share an experience with *Train hard, fight easy*?
