

KF26 Meeting Questions

Facilitator Tip: In this meeting, we continue to work with the TAT and we compress the first part of the meeting to give ourselves time to practice the TAT.

Assign a strong reader to guide the group through the Toolbox training. The reader will need to be able to juggle a lot of timing directions while muting and unmuting without losing their place.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Sharing

- What difference have you noticed when you have practiced the 2-minute TAT series?
- What might you be getting out of holding onto your problem?
- How does the ATM (Appearance, Talent, Money) affect you?
- How do you feel about your own ATM?
- What do you think are common illusions about money?
- In which direction does your anxiety about money take you—toward spending or hoarding?

Bible Teaching

- What do you experience and how do you act when you meet a rich person? This person can be rich in any of the areas of the ATM.
- When you meet someone who is poor in the ATM, what do you experience?
- What KF understanding could help you meet both the poor and the rich with equanimity?
- How can our choices and efforts actually build our trust?
- What is your understanding of “effort-based” ministry?

Integration

(You can ask any of the questions from the previous sections)

- What did you feel or think when you heard the integration focus?
- In what ways do your choices reveal what you believe?
- For veteran KF members, how have your reactions to this integration focus changed since you’ve been in KF training?

End of Meeting

- Would any KF member here like to share their experience with returning every year to the training?
