

KF28 Meeting Questions

Facilitator Tip: If you notice that someone has joined the group and doesn't seem to know what's going on, you might ask the person if they regularly attend KF. If they do not regularly attend, ask for their full name and send admin an email about the person's attendance. Admin will determine the person's eligibility.

For the groups to feel safe, KF has policies about who is eligible to attend. Each person attending a KF meeting must have already completed the NHG book study and have registered for the present KF cycle. They must also be making choices that reveal their trustworthiness. We don't feel safe if random people show up in a meeting. KF is not like a church that welcomes everyone at any time. We are training in a trustworthy community where we want each member to feel safe.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.
