

KF3 Meeting Questions

Facilitator Tip: If there are no questions or comments, the facilitator can use the list below to initiate discussion. Learning how to help the group respond to the lesson is an important part of facilitation training.

NOTE: In this lesson, there is extra reading for the facilitator, so be sure to go over the notes.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Mindfulness and Meditation

- Does anyone feel any physical symptoms during their mindfulness practice?
- Would anyone like to share how the 3-Minute Breathing Space is helping them?
- How might this practice help you make an oriented choice when you feel stressed?

Toolbox

- In one or two words, how have you managed your fear or anxiety in the past?
- How has your fear or self-hate undermined yourself or others?
- How do you usually feel when the truth about yourself is revealed?
- In what kind of situation do you find yourself obeying fear rather than God?
- What do you think about the statement: if it isn't love, it is fear?
- What differences have you noticed between fear-based prayer and love-based prayer?

Sharing

(You can ask any of the questions from the Toolbox or Meditation sections)

- If there was not time last week, ask the facilitators to share why they give the gift of facilitation.

Bible Teaching

- Why do you think it is valuable to know where you are right now, what is true, what is idealized?
- How does it feel to think about your life as an experience and an experiment?
- If our mistakes and efforts are part of an experiment, how might we make the most of them?
- Would anyone like to describe their present experiment?
- Would a veteran member share how they guide themselves into joy?

Integration

(You can ask any of the questions from the previous sections)

- Would anyone like to share their experience with the FAITH Process?
- What was your reaction when you heard the integration focus? What did you feel or think?
- What difference might it make to recognize that a trial is revealing the truth about your faith?

End of Meeting

- Would any veteran KF member share their experience of returning every year to the training?
