

KF39 Meeting Questions

Facilitator Tip: In this lesson the reader will help us pace the Three-Part Breath using a countdown. This can be somewhat confusing or intimidating to an insecure reader, so choose an experienced KF reader who feels confident with the pacing and counting. This lesson may otherwise become a confusing mess for everyone! If there are no confident readers in the group, you will have to read this lesson yourself. Thank you for serving the community with as much KF experience and training as you can offer!

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Mindfulness and Meditation

- As you practice the Three-Part Breath what do you learn about your own inhale and exhale?
- What correlation can you see between the balanced Three-Part Breath and life's challenges?
- What do we risk when we hold on to things, people, activities, and money because we fear that nothing will return to fill that space?

Toolbox

- What word or phrase would describe a simple life for you?
- What kind of life do you want to live, and what changes are you willing to make?
- What soul-freight have you unloaded through your KF training?
- In what areas of your life might you first ask God?
- How does a cluttered soul create a cluttered life?
- What would help you to consistently unload your freight?

Sharing

- How has KF training helped you achieve a simpler life?

- In what areas have you unloaded soul-freight?

Bible Teaching

- What do you think about the idea that our slavery is not optional, but our choice of master is?
- What does it mean for you to have a master? How does that feel?
- In what arenas do you see your KF work and your life acting as a weapon of orientation?

Integration
