

# KF44 Meeting Questions

---

**Facilitator Tip:** Explore your motivations during the meeting. Are you allowing the meeting schedule and meeting notes to carry the meeting, or do you feel compelled to entertain, engage with each member, take care of everyone, or direct their ideas?

*Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience*

## **Mindfulness and Meditation**

- Has anyone tried practicing Alternate Nostril Breathing for more than 5 minutes? What did you notice?
- Do you experience any stress or anxiety while doing Alternate Nostril Breathing?
- When do you find Alternate Nostril Breathing helpful?
- How is your meditation practice going?
- What other practices help you manage stress in your life?

## **Toolbox**

- What abilities have you been able to develop since you've been in KF training?
- What real ability that you have would you like to develop?
- What do you think prevents you from developing your real abilities?
- What are you doing today to explore and develop your real abilities?

## **Sharing**

*(You can ask any of the questions from the Toolbox or Meditation sections)*

- What ability has stretched and developed since you've been in KF?
- Would anyone like to share what they are learning in the NHG study?

## **Bible Teaching**

- What stands out to you in the story of Joseph?
- In what ways do you experience the Body of Christ?
- What problems have you encountered when working with a team or group of people?
- If you have worked on the KF volunteer team, how would you describe your experience?

## **Integration**

*(You can ask any of the questions from the previous sections)*

- What area of proven ability did you consider for your integration?
- If you are a veteran KF member, how have your reactions to this integration focus changed since you've been in training?

## **End of Meeting**

- Would anyone be willing to share their experience of the meeting?
- Would any KF member like to share why they return every year to the training?
