

KF48 Meeting Questions

Facilitator Tip: In the Bible reading, you will see the word *progenitor*. This word means a person who originates something, like a family or an intellectual movement, and is pronounced *pro-gen-i-ter*.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

- How is mindfulness and meditation training helping you live your life?
- What does it mean for you to “re-collect” yourself?
- Which meditation practice do you most often use?

Toolbox

- What is helping you deal with damage that you or others have done?
- How have your feelings or your perspective changed regarding damage?
- In what ways do you avoid your own development?
- How has your healing in KF helped you contribute to your community?
- How might our lives provide a healing opportunity for those around us?
