

KF5 Meeting Questions

Facilitator Tip: The lessons on tapping take extra time. Ignore the Meeting Schedule timing until after the Toolbox lesson to make sure that you have plenty of time to get through the tapping lesson.

Choose an experienced reader for this first tapping lesson. Tapping instructions are read a little slower to give participants time to understand, but not so slowly that you bog down the flow of the meeting. This takes some practice! Readers might want to read the Toolbox with a timer to see how long it takes. This Toolbox training can take up to 15 minutes.

NOTE: In this lesson, there is extra reading for the facilitator, so be sure to go over the notes.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.
