

KF7 Meeting Questions

Facilitator Tip: If there are members in your group who regularly talk longer than 5 minutes during the sharing time, be prepared to step in and guide them. You might:

- Remind the group of our KF guideline to adhere to time restraints and remind them to set their timers before starting to share.
- Set your own timer when other members share so that you can confidently remind them of the time if necessary.
- You might say something like this: “Excuse me, if I interrupt now. We have other members who have not yet shared (invite those members to share) . . . It’s time for our Bible teaching,” etc.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.
