

KF14 Meeting Questions

Facilitator Tip: If there is not enough time for discussion after the Mindfulness and Meditation or Toolbox teachings, you can create smaller sharing groups during the sharing time. Assign only 3 or 4 members to a group. The sharing in the groups will be done sooner and then everyone can return to the main group to discuss the Mindfulness and Meditation and Toolbox questions.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Mindfulness and Meditation

- What do you think about thanking the fear for the information it brings to you?
- When in a situation of temptation, what compels you to snatch your particular kind of candy?
- What kinds of events or situations send you down the judgment or self-hate path?
- What skills have you learned that help you avoid taking the judgment path?

Toolbox

- Would anyone like to share their response to the Shoulds worksheet training today?
- In what ways has KF training made you more aware of your self-hate with its self-judgment, self-criticism, and judgment of others and circumstances?
- Why do you think your legal system are so compelling?
- Has anyone felt like quitting KF, and if so, why?

Sharing

- How are you offering compassion to yourself?

Bible Teaching

- What are you discovering about the karis relationship with God and with others?
- Which of your real qualities are you able to recognize now that the Idol has lost its grip?
- What one word describes how you feel when you are in a karis relationship?
- KF understands faith as *living the kind of life that is the evidence of the unseen reality of God*. What does faith mean to you?
