

KF20 Meeting Questions

Facilitator Tip: Sign up to facilitate for just one month at a time to give other facilitators a chance to practice and train.

Try to assign all the readings to other readers in your group. If you are the only veteran member in the group, you can read all the lessons, but if there is new member who has demonstrated comfortable reading skills—perhaps when reading the introductions—you can invite them to read a lesson. We try to offer a variety of voices, not just to help everyone take responsibility for the group, but also because it's fatiguing for any group to hear the same voice all the time.

The Integration is a little different this week. There are a few extra sentences at the end.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Mindfulness and Meditation

- How has your hard training made your fight with self-hate easier?
- What benefits have you noticed from your meditation practice?
- How does it help orient a situation when we pause, step back, and observe rather than react?
- Would anyone like to share their experience with the Self-Hate Massage?

Toolbox

- How has KF training helped you manage your self-hate?
- What do you find helpful when you are in the grip of self-hate?
- When you refuse to conform to the Idol's shoulds, what helps you endure the tension and discomfort?
- Has anyone experienced an "unlived life"? What was that like?

Sharing

(You can ask any of the questions from the Toolbox or Meditation sections)

Bible Teaching

- How might the rod and staff in the hands of the Shepherd work in our lives?
- When you are in self-hate, what can others do to help you?
- Would you rather that God rescue and develop your True Self or your Idol Self?
- Why do you think the path of orientation regularly leads through the valley?
- What has God done for you in your valleys?
- What helps you maintain your direction when your path goes into a scary, stressful valley?

Integration

(You can ask any of the questions from the previous sections)

- When your path of orientation leads through the valley of the shadow of death, how does it feel?

End of Meeting
