

KF27 Meeting Questions

Facilitator Tip: In this meeting, there is a long Toolbox to give the group time to get through TAT training. Assign a strong reader to guide the group through the Toolbox. The reader will need to be able to juggle a lot of timing directions while muting and unmuting without losing their place.

During the sharing time, divide into smaller groups to help you get back in sync with the meeting schedule.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.
