

KF30 Meeting Questions

Facilitator Tip: Practice gratitude! Thank you to every facilitator who covers for another. Thank you for stepping up when others cannot. Thank you for finding a substitute when life prevents you from facilitating a meeting. Thank you for caring for the KF community.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.

Mindfulness and Meditation

- How would you calm a distressed child?
- Where do you tend to carry tension in your body?
- How has your awareness of your body changed since you have been in KF?
- When do you use the Calming Breath?
- What is it like for you “to poise your mind in an attentive space without images, words, or thoughts?”

Toolbox

- Would anyone be willing to share how their suffering broke the hard shell of pride and released the life within?
- In what area could you make friends with your suffering?
- Would anyone like to share the challenge that is standing before them?
- How can walking through your challenge be a karis gift to God?
- In what area might you be clinging to an imagined timeline?

Sharing

(You can ask any of the questions from the Toolbox or Meditation sections)

- Does anyone have questions about KF or about the training?

Bible Teaching

- What have you learned about sowing seed into your life?
- In what areas have you sown oriented seed and what has been the outcome?
- What have you learned about cause and effect in the kingdom of God?
- What do you find interesting or what questions do you have about the two levels of karis?
- How do you feel today about what God has done for you already?
- What interferes with our contentment and gratitude?

Integration

(You can ask any of the questions from the previous sections)

- In one or two words, what feeling did you identify when you heard the integration focus?
- For veteran KF members, in what way have your reactions to this integration focus changed since you’ve been in training?
