

KF34 Meeting Questions

Facilitator Tip: The lessons are designed to be read casually, as if you were talking with others at the fireside. Read naturally and comfortably, without any effort to read in a sermon-like or teaching manner. Each year as we read and listen, we learn something new because our lives are becoming new. Allow the group to gather whatever they need as the lessons are read simply, authentically, and in a relaxed manner.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience.
