

KF42 Meeting Questions

Facilitator Tip: At this time of year, the KF lifeboats join together into the Mega-Meetings. These meetings can be really daunting to facilitate. You might feel some panic listening to all the dings as people call in. Breathe! Make sure to start the meeting right on time and get snappy about reading the opening. Ask the members to briefly present. As they present, jot down names into sharing groups. Divide all the introductions between three people so that there is less confusion during the meeting.

Ask whichever questions are of interest to you. After someone responds to a question, you can ask the group if anyone else feels the same or has had a similar experience
