"Welcome everyone to Karis Fellowships. Today is [day of the week and date] _____.
We will be discussing KF Lesson [number of lesson] _____."

Begin reading: Karis is an invitation to a relationship based on mutual generosity.

Search me, O God, and know my heart. Examine me and know my thoughts. See if there is any way in me that causes pain, and lead me in the ways of eternity. (Psalm 139:23-24)

OPENING:

We have a single purpose at Karis Fellowships: to support one another as we reorient to God and to our true glory. We are Christians who recognize our misorientation, that we have exchanged the truth for the lie of our Idol Self and pursued pride rather than love. We believe that only from our True Self, the self that God created, can we love authentically and become the people God created us to be. We learn to respond to the gift of our real salvation in Jesus Christ by offering our true life to God as a gift, which is holy and acceptable to Him. Every week we come together to ground ourselves in reality, to help us put to death our false strivings and learn to apply real effort to our real growth as we pursue God's will and our true glory.

0:02 PRESENTING:

We introduce ourselves to the group as we are at this moment. We respect the group by always announcing our presence.

"When you present, would you please let me know if you cannot read and if you are sharing a line with someone else."

Begin by introducing yourself. If the group is large, coordinate the presenting. "Would those calling from furthest east present first? Then we will present from central time and then west."

My name is _____. I am calling from _____. This is how I am today: _____.

Record names as members present themselves. (R = KF Readers, SL = Shared Line, CR = Can't Read)
